Description

We offer a variety of packages to suit your needs, starting from just 30 minutes of usage a day. Our SmartPA's are flexible, exactly how your business needs them to be! No sign up fees, overheads or staff costs to pay and absolutely no hidden costs, so your money can be spent exactly where it's needed. Time is precious, so our SmartPAs can start as soon as you need them to - even on the same day. No need to waste time on recruiting or inducting. Our SmartPA's are part of a global community and support each other, so all holiday, maternity and sickness cover are taken care of without any hassle. A free onboarding session is also included which not only educates your SmartPA on what systems and processes you use but gives you a chance to explain your vision, mission, how you like to work and what you want your business to achieve. This way, your PA can adapt their support to precisely what you need. Every year we receive over 800 applications to become a SmartPA, so you can imagine our talentpool is incredibly broad. Each and every one of our SmartPAs go through an 8 week bespoke training and accreditation programme which ensures their admin services are of a consistent, high standard and that your business is in safe hands - we call this the SmartPA Method. The workplace has changed and the benefits of outsourcing, remote and flexible support are not only widely recognised but in high demand. We help our clients to work Smart-er. Our support is completely scalable, so you
